ENGER – producent i dystrybutor generalny klamek oraz akcesoriów drzwiowych marek APRILE, STILE i STERK.

W ciągu ostatnich dwudziestu ośmiu lat firma ENGER przeszła ogromną ewolucję – od polskiego przedsiębiorstwa rodzinnego do działającej na światowych rynkach marki wzorniczej, od roli dystrybutora klamek innych producentów do roli producenta własnych kolekcji i wzorów, tworzonych przez utytułowanych projektantów.

Przemiana firmy zawsze była napędzana ambicją i odwagą Roberta Kwietnia, umiejętnością wsłuchiwania się w potrzeby rynku oraz wytrwałością w poszukiwaniu najlepszych rozwiązań.

Firmowe motto “Moc detali” uosabia wszystko, co robimy. Jakość naszych produktów mierzona jest klasą każdego detalu oraz pełnym zrozumieniem oczekiwań naszych klientów. Wierzymy, że to właśnie detale stanowią różnicę między tym, co dobre, a tym, co doskonałe.
